“ 15 years of companionship, Lorenzo was my loving companion him and I always enjoyed going fishing, we would go to the casinos in Espanola New Mexico. We enjoyed watching western movies we also would spend hours fixing puzzles, he would tell me On Sunday mornings lets go get wood and we would go and make an adventure of it, we would take a picnic lunch and enjoy each others company. A year ago I had to move to Pueblo Colorado but we never lost contact with each other we called each other everyday. We spent 15 wonderful years together, he was a good man and always made me smile. I loved him and I will miss him, RIP my loving partner.

“ My condolences to Lorenzo's entire family. Lorenzo and I go back a long ways. Lorenzo's first date with Margie was permitted under the condition that they take me alone; we ended up in t Drive-in movie at Del Norte. They got married and lived with them of and on for the first couple years of their marriage. I have so many good memories of them both I wouldn't know where to start. He loved western music and the first song he sang to his beloved Margie was: The Blackboard of My Heart! Him and I worked together bucking 100 lbs of potatoes, bales of hay and in-between party hardy. Going to dances fishing etc. He was a great great man al the way around. Good Son, husband, father, grandfather and friend. He will be greatly missed. RIP my good friend!

To those you left behind: May the good Lord fill your hearts with His Grace and Peace to help you all cope with the pain and sadness that comes from grief. Wish we could be there with you all.

Love Tio Manuel and tia Dorothy Trujillo.
