“ *I remember getting in a small fender bender with my grandma in Oklahoma. She was so mad that these kids behind us didn't pay attention to the road. They stood straight up when she yelled at them and make them apologize lol. She was a tough one and those angels upstairs better look out haha.*

I loved to visit Aunt Addie & Uncle Ben. They were so kind & loving & full of hugs & kisses. I have wonderful memories I will cherish. I love you Auntie & even though I will miss you, I know you're in heaven having the most wonderful welcome home party surrounded by love.
