“ Alex (Pando) and I grew up, went to school, learned to play guitar together! That was our hobby and passion. Lots of great memories! Played for dances at El Rio Lounge, la Chirinola, Golden Nugget, Rainbow Nite Club, and the Dutch Mill. I left for the Military in 1964, and never really went back to the valley, but Pando was always with me. Even now - I see a guitar, and immediately Pando is there. Rest in Pease, my treasured friend. Keep on "picking", , , our Blessed LORD likes good music too. William Duran
