“ The first time I met Barbara, I was 11 years old at bingo with my mom. We sat by Barbara and the next thing I knew my mom and her were laughing their butts off and they had to be shushed lol. At 12 years old I remember going to her place by us because she was our neighbor And I met Alicia and Robert. Alicia was a little thing and Robert was still in diapers. I babysit them until I was almost 17 years old. if it wasn't for Barbara and Lupa going to Vegas for the weekend, I would've never met my ex-husband who lived across the way from Barbra whom we have a beautiful daughter. I always loved to watch Barbra do her make up so beautifully while she be drinking her coffee and smoking cigarettes while listening to her country music. I love how she would Smile at everyone and her laugh. I hope that you and my mom are up there laughing your butts off and enjoying bingo and the slot machines. you will be greatly missed and I am so grateful for the memories.
