“ *Brian was one of our first friends since we have been coming to San Luis over 13 years ago. San Luis has since become our home, but Brian was always there when we came to town during our build, as we stayed at the San Luis Hotel as regulars. Brian became a great friend! It makes my heart ache that we lost him too soon! Brian, you will be very missed by all! J&J Finn*

“ *My sincere condolences to the Padilla Family. I have so many fond memories of Brian, it breaks my heart that he was taken so soon. I was able to spend some time with him for Santanna last year, it was like old times, dancing and laughing as we always did in high school. I will always cherish my many memories of him. May you Rest In Peace my friend and classmate. Your Angel will always think of you and smile.*
