“ *First my condolences to the family. I met up with Cordy last summer in a cafe in Alamosa after more than 40 years. She recognized me and that made my day. We were so happy to see each other. I have many memories since elementary through highschool but I mostly remember our childhood in the same escuelita in LA Valley. May you rest in peace and I'm happy that we saw each other last year. GOD BLESS YOU. From Elaine Martinez (EL Rito)*
