“ *David you were a good friend and brother, we were there for each other when we needed it and when I heard of your passing it made my heart skip a few beats. You're free to fly with the Angel's, free from pain and the everyday turmoil. I'm sure your mom and our father above are waiting for you at heavens gates with open arms for you. We'll meet up again soon enuff and go fishing in some more of our father's waters. Michael and Branden, your father was taken from you too soon, but know this he will always be watching from above making sure you make those tackles and do those plays right. I lost my father at an early age as well and it's not easy but you 2 young men have the guidance and direction to go far in your lives. Don't let the loss of your father deter you from your plans and goals in life*

Keep your heads up to the skies and your hearts on him and he'll help you get through this. God bless the both of you and the best of luck with your futures, sincerely, George Muff.
