“ *I worked with Deseree at my previous job. She was always so cheerful and positive. I don't think I ever saw her in a bad mood or feeling down. She was always so full of life. I loved her uniqueness from the clothes she wore to the way she did her hair and makeup. She was truly a beautiful person inside and out. We kept in touch over the years , and I was thrilled when I found out we would be working together again. Her positive attitude was truly one of a kind. I'm going to miss her contagious laugh and her beautiful smile. She made our world a better place, and that's something to be proud of. My deepest condolences to her family, friends , and all who loved her.*

“ I met Deseree when her son Anjel was in Head Start . It was a pleasure to have gotten to know her. A very loving , caring, person. Always greeted by a beautiful smile and a genuine how are you Mrs. S.

Her love of her child was obvious always finding ways to hep her son be the best he could be. Her world evolved around her son. She would see him and her eyes lit up and asking how was your day son? No matter where you would see her she greeted you with excitement and so much pleasure. In all honesty she was one of my favorite parents.

The last time I spoke with her it was at the doctor office. Such a caring and knowledgeable young lady with a lot going for her. It has been said, God takes the best early for she has gained her wings to fly . My deepest condolences to to her family and know that you are in my prayers and thought. I thank God for her giving me the opportunity to teach her most valuable position , her son. Thank you, Deseree for the pleasure of knowing you. It is an honor to have known and your son. You will be missed. Mrs. Louise Sisneros Monte Vista Head Start.
