“ *I am praying for you guys.
I know as clique as it sounds, I wish I could've done something.
Destiny and I were more of a hi, bye in the halls at school and just based off of those short interactions, she was always the reflection of a happy person. Outspoken, and always carried her own weight well, never depended on no one. Someone you could look up to..
I'm so sorry for your loss. I can't imagine and am praying you find peace, and continue to prosper for your daughter, her babies.
