“ Donna and I worked together at Alamosa Head Start. She was always a happy person and had the greatest smile. We shared so much more than just our job. She used to make me laugh about the silliest things and when I moved to Idaho, I believe I missed Donna and Evelyn Smith more than any other person. She was a great artist and didn't hesitate to draw something I wanted to use in my class with my students. Her love for her students was well known and she never hesitated in putting those little people ahead of even her own wants. We shared supplies and ideas with each other and often combined our classes during activities and music. Donna, my friend, you will be missed by so many more than just me. You touched so many lives. RIP.

“ I was so sad to hear of Donna's passing. I have known her since I was a little girl attending Boyd Elementary when she was doing her student teaching. I remember all of the class vying for her attention which she so graciously and lovingly shared with all of us. We all loved her! I will never forget Donna. She was an Angel. My God give the Family comfort through this very difficult time.

“ Donna Wood was my friend. My friend Donna had the most beautiful heart,so loving,, so caring and so genuine. Friends like my Donna are much sought after and rare to find.
 How lucky I was to have Donna in my life. I have so many wonderful memories, late nite calls that lasted sometimes for hours, sharing stories about our beloved dogs.
 Most of all I remember losing my brother Joe and Donna comforting me like only she could, she held me and let me cry and get snot and tears all over her. She told me not to be angry with God. She convinced me that my loved one was in heaven.
 Donna was so faithful to her Catholicism. She lived it. She was truly devoted to Jesus Christ. I love you Donna and I will miss you . I'm so happy that you are reunited with your mom, and your siblings and in the arms of our Lord. God Bless you my friend.
