“ *Dear Mora Family,  
I offer my deepest condolences to you all in the passing of a very lovely woman. Mrs. Mora was and is my Godmother and Paul was my Godfather having baptized me in 1949. Although, I moved from Alamosa in my early twenties, I would see them both when visiting my precious mother, Teresita R. Maestas. I always felt their love and warmth, always. So very humble and dear were they both. I will always remember them as being so very sweet and kind. May Dorothy and Paul both rest in Eternal Peace.*

*Much love,

“ *We remember Dorothy well. She always was so cheerful and had a smile on her face whenever we met her in church, Walmart, or just around the corner. Dorothy was unselfish and kind in all her ways and that showed in all the family members that we knew. We look forward to her beautiful smile and welcome when we all get to heaven. We send our love to all her family.*
