“ *I consider myself very fortunate to not only have a Great mother in law like Eleanor, but also a really good friend. She had a heart of gold and would always call me and sing me happy birthday. I would brag to my friends and coworkers how lucky I was to have a mother-in-law who loved sports. I always enjoyed talking with her about the Broncos and the Nuggets. I always had so much fun when I was around her. Because she and I both had a sweet tooth when she went with me and Mindy to Las Vegas she and I both really enjoyed sampling all the desserts at the casino buffets. As she got older I considered it an honor to help her during times when she needed help walking. I will sure miss her. She meant a lot to me and I loved her dearly. Stan*

“ I remember my Mom running after Elvis (an impersonator) yelling for an autograph in Las Vegas. When I caught up with her; I reminded her that that wasn't the real Elvis and she calmly told me “yeah but I really wanted his autograph”. She was a lot of fun to be around! We had a ton of fun that trip!!!

“ Memories of cousin Ben and Eleanor at the Stampede carnival in Monte. Proud of Ben that he got his bachelors degree being the first to do so from the Martinez family. Praying for peace and strength. Your cousin Jim Martinez

“ I met her when Melinda and I worked at Walgreens. She was so nice and sweet! I would always ask Melinda how mom was.
