“ I love how when I was a little kid my mom used to take me to visit Mi Tia Sandra's and she would have these little boxes of mini cereal for me to eat and so I would eat serval boxes in one sitting. Then recently my girls and I used to take her grocery shopping every Saturday and then I would be able to buy her big boxes of cereal for us to enjoy together.

“ I remember whenever we visited Colorado Springs we'd see Aunt Sandra. She would say hello and pinch our cheeks soooo hard! Makes me laugh thinking about it now. My fondest memory.
