She enjoyed crocheting, embroidery, playing the guitar, singing, going for drives, shopping, and visiting and spending time with all of her family. Elsie loved having a house full of family and friends. She would say, “The more, the better.” Elsie was a loving wife, mother, grandmother and a true woman of God. She loved the Lord and was always up to an impromptu family worship sing along or Bible study. Elsie, Mom and Grandma Elsie was a very special woman. She was strong, gentle, generous, hardworking and loved her family deeply. How lucky we were to have someone in our lives that makes saying “Goodbye” so hard. We will miss her every day and she will never be forgotten.

The family would like to thank the nurses and staff at River Valley Nursing Inn Nursing Home Del Norte, especially Bernadette, for the loving care given to Elsie and the family during her stay with them. Due to Covid, private family services were held. She was laid to rest beside her beloved husband at Gomez Cemetery. Arrangements by Romero Funeral Homes – Alamosa.
