“ *Epi. What an amazing man. Of all his great accomplishments, what I cherish the most, is giving me childhood memories of love and laughter. I loved listening to him! Whenever I think about him, I can't help smiling. Epi, may the love light within you guide your way home. Tell everyone they are loved and missed.*

“ *Epi was married to my mom's cousin, Ruth Lucero. Mom and Ruth were brought up by their grandma Francisca "Kika" Lucero. When Ruth and Epi started dating, he was my Colorado history teacher. After they were married, whenever they visited us in Colorado Springs, the party started. Epi loved telling stories and jokes - starting in English and often finishing in Spanish. My sibilings and i all have fond memories of Epi and all the Jaramillo family. May he rest in peace.*
