“ *My precious Tio! I miss you so much already. Thank you for always making me smile and for loving me so much. Kind, compassionate people are very rare now a days...and you my Tio were one of those people. My momma is really sad without you, so when you are flying around with your beautiful wings, please be sure to pass my momma's house so she can feel some joy. I love you so very much and will miss you daily....but I am comforted knowing that you are in palm of our precious Lord. Please do me a little favor....give Jesus a great big hug for me! And when you see my daddy, please give him a hug and tell him I really miss him. This is not goodbye, it's see you later. We will see you again in heaven my amazing Tio!*
