“ *Thinking about the good times and special memories that live on with us "forever" is what help friends and family work through the passing of someone important in their lives. It was the "good ol' days" as we all started our careers and worked hard to play hard :-). I still remember when Leonard got his job at the Rodriguez Body Shop on 3rd. Our fun times in Longmont are always remembered fondly. Our condolences and special thoughts to all of Leonard's family.*
