

Frank Lee Jiron

April 30, 1964 - June 30, 2021

Antonito resident Frank Lee Jiron, 57, passed away June 30, 2021. Born on April 30, 1964, he was the son of Celedon and Dora Jiron. He attended school in Antonito and after graduation he left the valley and lived in California and Arizona for a number of years. While there he worked in the technology industry. When he returned to Colorado, he got a job working with the Conejos County Sheriff's Office. He also held a few other odd jobs until illness forced him to leave the workforce.

A talented artist, Frank painted the Trojan logo in the old Antonito high school gym. He enjoyed building model cars and working on the real things. He had a knack for all things automotive and took pride in maintaining and modifying his vehicles. Like his namesake St. Francis, Frank also loved animals and had many pets throughout his life.

Frank loved his family. He enjoyed sharing his interests in computers and model cars with his nephew and loved to visit with his niece. He shared special bonds with his sister, father, and especially his mother, who tirelessly took care of him as he dealt with his health issues. He also relied on the strength of his brother-in-law to help him through the hard times.

Frank lived a blessed but difficult life. He dealt with many challenges, but through it all, he knew he could rely on his family and friends to be there and help out.

Frank was preceded in death by his father Celedon, mother Dora, and sister Cindy. He is survived by his nephew Alejandro Lopez, niece Analicia (Chad) McNulty, brother-in-law Paul Lopez, and great-nephew Gideon McNulty all of Alamosa. He is also survived by many cousins, friends, and his dog Jack.

Cremation was chosen. A rosary and funeral mass will be held Saturday, August 14 at 9:30 AM at the Our Lady of Guadalupe Catholic Church in Conejos. Inurnment will follow at the Los Cerritos Cemetery in Manassa.

“ *In the mid 80's I moved to Alamosa to live and help my Mother and Father run the Alamosa Taxi service, as a new comer it was very difficult to make friends at that age, Francis would make an extra effort to come in to town with one or two friends from Antonito and show me around and introduce me to new people, good people, not the wrong type, he made the transition very easy and always had something fun or exciting to do. I'll always remember his crooked little smile or smirk and will always be grateful for the time and effort he put into getting to know his Cousin from the big city. RIP Frank, your kind Heart and friendly demeanor will always be appreciated.*
