“ *What wonderful memories Terry and I will hold when we spent time with Jay & Mel 4-wheeling, time spent during 4th of July at the water parade in Pueblo, the three consecutive years we spent having a family yard sale at Renee's house in Pueblo along with Christmas with a house full of their immediate family members. We shared a lot of time laughing and enjoying their company. After Mel passed away we made it a point to see Jay as often as we could and go out to eat with her. Bingo was fun and I never knew how she could play so many cards at the same time talk, eat and laugh! She always had candy jars of various candy for all to enjoy. She always had an open door for us to stay at her house and always gave me a helpful hint on baking all types of food. Jay walk through those pearly gates of heaven and be at rest with your husband, son, parents and brother. We will miss you so much. With much respect and love Terry and Nina Salazar.*

“ What does a person say at a time like this when you dread that the day would come when she is no longer here. Jay was a very special person she always offered her help to anyone that was in need. She always set a table to who ever walked in to her kitchen. She was more than a sister in law she was my sister. We will miss her but thankful she is no longer suffering. Even in her last days she would give a hug and a smile. Rest easy my sister until we meet again.
