“ *i will always remember the great times that I had in Mr. Hupfer class. I remember how he taught us how important it is to watch and care for diabetics, i remember he need a pop and my classmates didn't know what to do, i ran out of class so fast to get him one. It was always a pleasure running into him in town and catching up. He truly will be my favorite teacher and i hope that, i'll make the same impact he did on all his students. my condolences to all his family and friends.*
