“ *My dearest sister Helen I am missing our calls , joking and laughter. I know you are in Heaven with all our loved ones . If you could tell us how beautiful it is where you're at you would . Of course , there is no way that can be done , God did not give us that knowledge . He is that loving and awesome . We know you are much happier , without pain and resting . We will all meet again one day . Theodore is okay , he did everything he possibly could , you have a loving caring son . May you rest in peace . We all miss you . You left a big void in our hearts .*

I love you sister .
