“ *My family were friends/ guests at Lost Trail Creek Ranch during the years after Mrs Rebecca Releford sold our annual vacation place which was her Rel Rio Ranch just outside of Creede on the river. My Dad was able to get a lease or sale agreement from the new owners who were the Humphrey Brothers so we went back after a few seasons to the Rel Rio Ranch. In those few years we were up at Lost Trail and my mother made arrangements with Florence that I might play with the Wetherill girls. Helen and JoAnn were about my age. And Ada helped us get horses down at the barn one day when I couldn't ride bareback and I spectacularly ended up riding the side of the horse like in a Wild West show - not on purpose. Helen was very affected by her congenital impact but she was very sweet and fun besides being annoying. I'm sorry to hear of her passing and I wanted the girls to know I still remember you all. I'm on Facebook as Nancy Jeanne Prohaska Thompson. I don't get to Colorado often but I do think of Creede as my home.*

Sorry- Winston is my son's bulldog and I must have posted this from his Facebook account not mine. He also is quite a well known dog celebrity in New York City.

“ JoAnne: please accept my heartfelt sympathies for your loss. It will be three years this summer that I lost my little sister, and it is still hard. I know you loved Helen and took good care of her. My memory to share is from Carroll's funeral in Creede many years ago, when she and I spent time together walking through the cemetery during the graveside service. Bill and I will make a donation to Blue Peaks in her name.
