Jardena rented from me a few years ago and was a wonderful tenant. May her memory be a blessing.

Maria Martinez - February 05, 2021 at 02:58 PM

“ *Jardena was always involved in Center High School activities. She was in band, volleyball, and track. In her adult years, she went to college and became a registered nurse..These are just a few of the many things she achieved in her short life.*

Debbie Dunn - February 04, 2021 at 11:43 AM

I'm so sorry about your loss. I had the pleasure of knowing her. She always knew how to put a smile on my face and helped me through alot. My prayers go out to you and your family.
