“ Tio Guero, it was my pleasure to call you my UNCLE (TIO)..... You will be greatly missed. My fondest memory of you is having you dance me at my wedding in place of my dad, your brother, Lalo. I could honestly feel my dads presence with me as I was dancing with you! You are now dancing in the sky with your momma, brother, and sister and everyone who passed before you! Until we meet again, i send all my love...
