“ *It is hard to pick just one memory of our tio Luis because there are so many from our childhood. He was there for my brother and I whenever we needed anything and when we messed up and we needed a quick kick in the behind. He was there for our mom and his other siblings whenever they needed him as well. I especially loved when all the siblings would get together, there was sure to be lots of food and lots of laughter. He loved my mom's cooking and would often stop by to see what she had to eat and stay for a visit. I can picture him and my mom now sitting at the kitchen table talking and laughing. We sure will miss you uncle Luis but we are happy you are now with grandma /grandpa, our mom, aunt Carmen and uncles Paul, Adolf, Rubel and John. Rest in Peace tio. Antoinette and Pancho*
