“ Dear Family of Paul,

My deepest condolences go out to each of you, the family of Paul. You are blessed with such a good man to have had in your lives. I know his spirit will live on in each of you.

I am saddened to learn of my Godfather's passing; yet knowing he is in our Good Lord's loving embrace and in his 'forever home, sweet home' Heaven. He and my Godmother, Dorothy baptized me and I have been blessed having had such wonderful people to be my Godparents. I live in Colorado Springs and every time I visited my sweet mother, Teresita R. Maestas in Alamosa and would see them I was happy. He was always so sweet and warm when we greeted one another. When my precious mother passed away November 26, 2018 Paul and Dorothy went to Mom's viewing the night before the funeral. It was the coldest night with the roads and sidewalks so very icy and slippery and we could not believe they ventured out in such conditions. We are eternally grateful to them both for the expression of love and consolation they gave us during that most sad and difficult time, and for the love and caring my Mom and I always felt from them when we met. Thank you Mr. Mora for being such a a loving and kind example to me always. My life has been blessed with your kindness and loving example. Rest in peace in God's warm and welcoming embrace. I love you.

Lovingly,

*Your Goddaughter,
Anna Marie Katherine Maestas Cordova*
