“ I'll always remember how gentle and loving he was with my dog Cortez, and how that dog liked him so much. Also how he tried to nurse Cortez's sister when she got sick. And how he was always ready to stick up for the boys (Jesse and Johnny) if he thought someone was messing with them. I'll always remember the barbecue we had when Johnny got home with Mario, myself and Mona, with Johnny and Mario catching up and enjoying some good food. I still am kicking myself that we didn't take pictures that day
