“ *My name is Dick and I am the middle son of Ernest, Tia Josie's older brother. I can remember visiting my Tia Josie every summer along with my oldest brother Sam. My dad would make sure we spent time with my Tia and cousins Randy and Netty. She was always so loving and kind and treated us like her own and made us feel like we belonged there with her so it was hard when our parents would come and pick us up. I missed those summer visits after we grew up and started working. Tia will always be remembered and missed. I cannot express to Randy and Brenda (Netty) how deeply I am for the loss of their mom.*

“ *What a sweet , sweet lady. And a very good neighbor. Always offering to help in any way she could even though she was suffering with her own illness.*

No words can help with the grief. She was a special lady . I know that she will be missed by her loving family. May HE wrap his loving arms around all of you at this time.
