“ *Justin and I were good friends during our high school years. Unfortunately, after graduation we lost contact. A number of years back, I returned to the valley and ran into Justin. He still had the same pleasant and easygoing personality that I remembered him having. Always friendly and easy to talk to made Justin so likeable. I extend my deepest sympathies to Justin's entire family. May He Rest in Peace. Jon Salazar*

“ *Justin was my friend in childhood. We went to elementary, middle and high school together. We lost contact throughout the years, but I will always cherish his kindness and that beautiful smile. Even as a young boy he had a heart of gold and knew how to care for others. My deepest condolences to all who are hurting from this loss. Lisa Romero*

“ Justin was one of my good friends growing up. We would do everything together and we remained friends. He always helped my parents when they needed help, even though we would only talk on the phone a couple of times a year. He always loved his family and would give the shirt off his back for his friends. I will miss him, he was a good friend and a good man.

“ When I saw the notice in the Courier last night I could not believe it. I got to know Justin as his customer for my rentals for the last 16 years. I always enjoyed his jovial and friendly nature. He always saw to it that he got the job done in an efficient and skilled manner. But he always had time for a chat and to share what was new in his life. What a wonderful guy who always was great to work with. I am so sad and so sorry for his family. He was a good man who will be missed by so many. It was a privilege to know and work with him. Much sympathy to his family. He will be very missed. 🙏🥺❤️

“ My prayers go out to all the family. Justin was a friend, much more than being a customer. It was easy to see he had a heart of love and caring by talking to him on the phone. I'm sorry.
