My moms Obituary

Kathryn “Kathy” Lujan, 75, of Alamosa, Colorado, passed away on November 11, 2025. Kathy lived her life with a gentle strength and a warm, steady presence that made others feel welcomed and cared for. She moved through the world with kindness, patience, and a quiet resilience that touched everyone who knew her.

Kathy found her greatest happiness in the time she spent with her family. She cherished every moment with her daughters and grandchildren—playing cards, sharing laughter, and dancing in the kitchen. Time with her grandchildren brought her endless joy. Those simple, joyful moments were the ones she held closest to her heart.

She loved Bingo nights, and trying her luck at the slot machines, and the easy laughter that came with them. And she treasured the companionship of her best friend and life partner, John Kettler. Whether they were enjoying a good meal, laughing the day away, or simply sharing quiet moments together, their bond was a source of deep comfort and happiness in her life.

Kathy is survived by her daughters Bianca LaGrutra and Michaela Romero (Dan Romero); her grandchildren Cesar, Isabella, Britany, her bonus

granddaughter Skylar; and her great-grandchild Kashton. She is also survived by her best friend and partner John Kettler, as well as her siblings James Lujan (Charlotte), Al Lujan (Mary), Carolyn Kling (Thom), and Marie Lobato.

She is preceded in death by her parents, Estella and Alvino Lujan, and her brother, Bobalu.

Kathy didn't need big gestures to show love. She expressed it quietly—through her consistency, her warmth, and her presence. Her memory lives on in the gentle way she cared, the laughter she shared, and the love she gave so freely.

A funeral will be held on Friday, November 21st, at 11:00 AM at Sacred Heart Church in Alamosa.

“ *Kathy was a good friend - we enjoyed spending Friday nights at Beefs playing foosball - she was an excellent player and we enjoyed laughing and winning many many pitchers of beer of which we ended up giving away! She would listen when I had a hard day and I would listen also! She loved her children so much and I hope they know how much she meant to me! See you on the flip side Kathy and my sincere condolences to the family*
