

## Kim DuPont

December 15, 1960 - March 20, 2026

Kim M. Dupont, 65, of Del Norte, Colorado, passed away on March 20, 2026.

Kim M. Dupont was born in Glendale, California, to Walter Guantt and Chloe Richardson on December 15, 1960. She attended high school and graduated, then continued her education by earning her associate's degree. After completing her studies, she worked as a greeter at the college, where she warmly welcomed students and supported incoming students as they began their college journey. She was someone who truly found joy in helping others, always the first to step in whenever someone needed a hand, a kind word, or simply someone to listen. Her kindness wasn't loud or showy - it showed up in the little things she did every day, making life a little easier and brighter for the people around her. In her free time, she loved diamond painting, carefully placing each piece with patience and care, turning tiny bits into something beautiful - just like the way she brought beauty into the lives of others. Above all, her greatest happiness came from spending time with her grandkids. Whether she was laughing with them, sharing stories, or just being present in the moment, those times meant everything to her, and she poured her heart into making them feel loved, safe, and special.

Kim M. Dupont is survived by her loving partner Johnny Dupont, her loving daughters Toni Trujillo and Angelica Trujillo, her loving sons Zachary Trujillo, Marcelino Trujillo, and Mark Trujillo, her lovely sister Melody Archuleta, and by

many of her loving friends.

Kim M. Dupont is preceded in death by her beloved parents, Walter Gauntt and Chloe Richardson.
