

Kylee J. Cisneros-Gomez

January 1, 2003 - July 17, 2024

Kylee Janae Cisneros-Gomez, a beautiful, genuine, fun-loving soul, joined our Heavenly Father on 7/17/2024. Born on 10/26/2001 in Alamosa, Kylee's life was a testament to the true spirit of joy. She lived her life with purpose - and her primary purpose, for all who knew her, was to make people laugh.

As the proud recipient of the Colorado Governor's Citizenship Medal for Emerging Community Leader, she demonstrated her life of serving and helping others. Although her time was short, she had a profound impact on those who knew her. She lived and loved fiercely. Her crazy, fun-loving, caring, and kooky personality allowed her to easily make friends. She enjoyed spending time with family, dancing, using her creativity – but her greatest love was for reading – you would rarely see Kylee without a book nearby.

She is survived by her mother, Amanda Cisneros (Jimmy); her father, Gary Gomez; her siblings, Tony (Brae Lynn / Zayleigh), Darius, Gia, Havy; her Grandmother, Frances Cisneros; her Grandfather, Albert (RoAnne) Gomez; her Auntie and Uncle, Sandy and Kory (Kaiden) Bragdon; her uncle, Eli Vigil; her aunt, Sherry, and numerous other close family members. She was preceded in death by her grandfather, Leroy Cisneros; her grandmother, Louise Gomez; her aunt, Dina Vigil; her uncle, Josh Gomez.

The family will be hosting a Celebration of Life at Antonito High School on

Wednesday, July 24th at 12:00PM so you can pay tribute to her memory.

“ *I will never forget Kylee as the youngest member of our Antonito Together team when we first started. She was only in eighth grade but became an outspoken advocate for our community. She was always a joy to be around and quite a character, always making sure we had coffee, a favorite of hers.*

I recall her interviewing local elders during Covid, gathering stories for our Antonito memory video. She also recorded a lovely poem about who she was and about her community. That poem will always be a part of my memory of Kylee and Antonito. I am thankful that the video with Kylee's beautiful voice and smile will live on as a part of Antonito's legacy.

As God has received a beautiful soul, my heart is broken. Thank you, Kylee for sharing a part of your precious life with me and so many others. Rest in peace, Sweet Girl.

“ Kylee worked with us in the UCCS Pre-Collegiate Program. She coached our Middle School Scholars and assisted with our workshops and events. She was a vibrant, positive individual who was always asking wonderful questions about everything and to everyone on the team. We all went ice skating together and Kylee had a great time. We laughed a lot and we also had some deep and thoughtful discussions. We are saddened to learn of her passing. Our hearts go out to all who loved her. On behalf of the UCCS Pre-Collegiate Team, our condolences and pensamientos are with you.

“ Kylee worked for me at UCCS in Colorado Springs when she was going to college here. She was so excited, willing to learn, and worked well with our middle and high school students. I know that she had personal struggles but she was always smiling, had something nice to say to everyone, and was happy to be here at UCCS. I am just devastated to learn about her passing. She was an amazing young woman. Vicki Taylor
