“ My Tia, one of the sweetest, most kindest lady I knew. She will always be remembered for her kind and giving heart. When visiting Alamosa, her house would always be the first stop. The way her eyes lit up to see family coming to visit. Her cooking was amazing and she'd always leave us with a full belly. Sleep overs at her house when we were younger. She didn't mind all of us kids over, she'd always make room for all of us. I will miss you so much Tia, and seeing your beautiful smile. The way you'd hug me and touch my face with your gentle hands to say you missed us. I love you always and forever.
