“ *Mr Vigil was like a second dad for my brother's and me growing up. We grew up eating tortillas beans and chili at their house. We broke his windows many times playing baseball. His kids and us grew up together so we're family of the heart. We love the Vigil family as they are a wonderful and loving family. He was a great man and we will miss yelling across the street at him to say good morning. My mom will miss her neighbor and the connection they had as neighbors. God has received another angel and Mr Vigil is having coffee with his wife and my dad. Love you Mr Vigil with all of our heart. Bye Carmelita Llamas and family.*
