“OMG, so sorry to hear the passing of Marge! We met Marge when we were trying to sell our house in Troy, NY in 1997. She became a very dear friend to us as we attempted to sell our house. She had the confidence and ability to bring people together! We shared a few years together at social gatherings and home parties. Marge was delightful and we loved her immensely! She was a dear friend and a treasure. We shared many laughs and she had such good advice on how to deal with people due to her Telephone Company job as supervisor at the phone service department. She went to Co. With her son and family whom she loved. She also shared stories with her son from Syracuse. She drove to Syracuse at Easter dressed as a bunny and skipped out of car and visited the family as the Easter bunny for the kids. She was also a certified Clown from the program at HVCC and did parties along with her outside roller skating adventures. Marge was such a joyful and caring lady. May she rest in peace.
