“ *Loved living next door to my friend, Louise, in Monte Vista. We took many adventures down dirt roads in her truck. We also shared many lunches, visits to plant nurseries and outings to thrift stores. She went with me to pick up my beagle dog rescue, Emmett, in Pagosa Springs. Emmett adored Louise. She loved to throw him her dinner scraps. Even though she was 32 years my senior, she was young at heart. I know she is with her beloved Emory.*
