“*Mary Ann Martinez a.k.a Anna was born into a world of innocence. She was sheltered all her life by the family. She was quiet mostly all her life and all she asked for was a bag of chips or other goodies. She lived to be 70 and suffered for a few months before her passing. Her Auntie Esther and Uncle Oliver plus their Kids were their all the time caring for her. The Spiritual feeling at her funeral left me in awe knowing that she was an angel in Jesus house.*
