“ *Brother, I will always have you in my heart! My fondest memory of you was when you took Roger's car (53 Chevy yellow canary) and left us at the gym. It was Reno's Christmas program. You were truly sorry but you had told your friends that it was "your car" and you just had to do it! You hot wired it and brought it back all flat. I hope you're having a good laugh with everyone up there. You all know how much we miss you! I'll keep praying that someday we will be together again. Love you brother!!*
