“ All of my memories of my cousin Michael are happy ones. He was rambunctious to the max. When he entered a room he was non-stop talking & joking giving everyone a hard time. We grew up together at grandmas house all of us cousins enjoying family dinners. He was one of few cousins that were red-heads 😂 Every time he saw me he ALWAYS told be how beautiful I was & would pinch my cheeks so hard he almost made me cry 😂 He was a very hard worker & family was important to him. He is going to be missed by many as he easily made friends where ever he went. Rest In Peace Michael. I love ❤️ you!!

“ Pacheco family, our sincere condolences on the passing of Mike. It makes me so sad. I work at Colorado Springs Utilities and looked forward to seeing Mike in training class. We shared valley stories, and talked about about "familia"; he loved you all so much. He was an awesome guy. Treasure your memories as he continues to live in your hearts. I'll remember him fondly. Deepest sympathy, Sheila (Jesse) Serna, Colorado Springs.
