

Nick Gonzales

August 30, 1938 - January 3, 2025

Nick's earthly journey ended on January 3, 2025 at the age of 86. He passed away in

blessed peace with Ona, his wife of 64 years, his children and grandchildren by his

side. We will miss him so much and are grateful for the time we shared with him.

Early on in Nick's life, he developed his commitment to a strong work ethic by

working as a teenager in various jobs including ground maintenance for Monte Vista

Cemetery, a carry out at Arapahoe Super Market and was an attendant at Green &

White Filling Station. After graduating from Monte Vista High School in 1958, he

enlisted in the United States Air Force. Upon his honorable discharge, he returned

to the Valley and trucked for Staley Starch Plant, butchered for Nelson Dress Meats,

sold tickets at the Star Drive Inn and later worked as an appraiser for Rio Grande

County, while also completing his education at Adams State College. Nick received

his B.A. in Business Administration and Industrial Arts in 1969. His professional

career began as an industrial arts teacher at Monte Vista Junior High School where

he also coached basketball and football. At the inception of the San Luis Valley

Vocational School, Nick taught the business courses until it closed. Nick's career

continued for 33 years as a bi-lingual field representative for Social Security

Administration and retired in 2005.

Nick was a quiet servant during his time with us. He served on various committees

and boards including; Monte Vista School Board Member, Selective Service Member,

Victims Advocate for the 12th Judicial District appointed by Judge Ogburn,
Election

Judge for Rio Grande County, deputized as a volunteer Rio Grande County
Sheriff's

deputy by Forest Robran for community events, Life member of Monte Vista
Elks,

Knight of Columbus Member, Chaperon for various 4-H activities and was a
Stable

Management Judge for United States Pony Club.

Nick's greatest pride was found in his family. He valued higher education and
he

stressed, encouraged and demanded that his children earned one. He felt
enormous

reward in their accomplishments and their degrees in Mechanical
Engineering,

Computer Networking, Accounting and Counseling. Nicks generosity was
constant.

Along with his hopes and demands for his children, he gave unconditional
support

to his sons as they continued his enthusiasm for restoring collector and muscle cars.

His knowledge of the mechanical working of vehicles was unsurpassed. He gave the

same support to his daughters and granddaughters who were competitively

involved in horsemanship. His children remember fondly their experiences with

him as he challenged the mountains high with his 4-wheel driving skills and hauling

horses to competitive events in Colorado, New Mexico, Utah and Wyoming.

During his retirement, Nick was a companion to his grandchildren and able to spend

numerous hours creating adventures and memories. He gave them knowledge in all

the same areas as his children, his expectation remained high for them and

supported them in their hobbies of motocross, competitive horseback riding and

had that special kind of freedom a grandparent gets in creating mischievous events

that will be cherished memories for them.

Nick's children are Timothy R. Gonzales (Elaine), Nick E. Gonzales, Jr., Maria J.

Gonzales-Thomson and Ginger Butero (JR).

Nick's grandchildren are Nicole Madrill (Kemper Harris) of Fayetteville GA, Jennifer
