

Patrick Maes

January 23, 1964 - June 21, 2023

We are sad to announce the passing of Patrick Lee Maes on June 21, 2023, at the age of 59. He was born

January 23, 1964 in Alamosa, Colorado to Charles Lee and Maria Hortensia (Atencio) Maes.

Patrick owned and operated an electrical contracting business for over 20 years, leaving his mark on

every job. He was intelligent, hardworking, and true to his craft. His employees were like his sons, he

was tough but he taught them the skills and work ethic that would follow throughout their careers.

Everyone in the construction industry respected him and valued his dedication and quality of work.

Patrick was a loving husband, father, son, grandfather, uncle, nephew, and brother to all that knew him.

He was our big teddy bear, very loud, gruff, and bossy, but incredibly loving at the same time. He loved

music and dancing and made many phone calls and texts every day to family and friends.

Throughout his illness, he never gave up, fighting until the very end. No matter how bad he felt or how

hard it was, he stood his ground, his roots stretched deep in the earth. He truly is a Mighty Oak and will

live on forever in all of our hearts. Patrick, you will not be forgotten, you gave love and were loved by all.

He is survived by his wife Toni (Gonzales), daughters Theresa Trillo (Manuel), Jessica Maes (Ryan Curran), grandchildren Alyssa, Alexis, and Aleigha Trillo, his mother and father, brother Charles (Rose) Maes, sisters Brenda Cordova, Christine Maes, and many uncles, aunts, cousins, nieces, nephews, and in-laws
