“ *Bob was one of our friends that was entirely 'unforgettable' in so many ways. He always lit up the world for you and there was not a problem that couldn't be fixed in his world. It was such a pleasure to have known him and considered him a friend for so very many years. Brett and I send our sympathy to Kim, Rod, Tina and all the family members. You were all so lucky to have him in your lives. God Bless all. And we have so many memories of Bob that it would fill a book ---- thank the Lord for letting him be part of our lives.*

We lived lest door to each other in Brandon when we were young kids and played together a lot. Always amazed me as he could ride his big brother's bicycle when he was too small to reach the pedals by getting inside under the top bar. We sure had a lot of fun.
