“ *These were some of the last pictures taken of my mom. They were taken a couple days before she passed away. We were playing on Snapchat. In life she loved hugs. That's all she ever wanted was hugs. The pink bear was her favorite.*

“ I'll never forget you teaching me how to quilt in that scary backroom...hahaha you use to always laugh when us kids would say that backroom you used for crafting was scary. We still went back there and learned how to make keychains, chokers, barrettes, and so much more. I would come once a week and was ready to learn whatever. Helping you get ready for the March Pow Wow and cook thanksgiving were some of my favorite memories with you. I love you Unci 🥰
