It is with heavy hearts we announce the passing of our beloved Roger Gene Herrera. Roger was called home on November 6, 2022. Roger was welcomed into the world on July 7, 1948, the beloved son of Ernest Herrera and Ernestine Manuelita Cordova. Roger was united in marriage to his soul mate and love of his life Juanita Chacon on October 15, 1966. They shared a union of nothing but bliss, love and happiness for almost 60 years. He worked as an electrician for many years and was also his wife's right hand man when it came to helping her with her daycare and getting his honey-do lists completed. He adored and cherished the time he spent with his family, especially his grandchildren. He was the best TaTa around!
