“ *I'm so very sorry for your family's loss. I hope that a life well lived will bring comfort and peace to you all. I worked with Mary at the Best Western Movie Manor and was lucky enough to have known her and met Roy during that time. One of the kindest things ever done for me was Mary taking the time to pray with me when I was new and learning the job. Please let Mary know that I have prayed for her and her family in the years since then, but never more so than now. May the Lord be with you all.*
