“ *Too many memories to just name one. Auntie was like another mom to me. I live with her when we were both pregnant and due a week apart. I'll never forget when she rushed me to the hospital and they took her in to the labor room instead of me and I had to walk up three flights of stairs to let them know that I was the one in labor one of my favorite memories. Rest in Heaven Auntie you will forever be in our hearts and thoughts. ❤️❤️❤️*
