“ I met Walt when he installed a propane tank for my home in Crestone in 1994. We worked together for the day. Walt was a kind and gentle soul. He was a loving man with a big heart. I last saw him in Walmart with his wife some time after he retired. What a special soul. See you later Walt.

“ The Foster family lived across the yards and we all have great memories of the Espinoza family. Walt and I would occasionally celebrate a local and/or national football victory with a liquid toast and when the Hatch green chili was ready he and Laura introduced us to fresh roasted green chili tortillas with garlic and butter topped with shakes of salt. The neighborhood was filled with fantastic aroma and many stories back then. Great family and I shall never forget how fun and hard working they all were. Rest in peace Walt & Laura. “ I was so sad to hear of Walter's passing. He was such a good man. He was so kind. He worked with my father at Cal Gas when I was a kid. I heard that his wife Laura passed away earlier. She was amazing as well and I am sure they are so happy to be reunited again. My condolences to the family.
